

Letter of Recommendation

To Whom It May Concern:

Harper Studio has been doing business with Reeves Paperhanging for the last 20 years here in the valley. In addition to developing and maintaining a wonderful friendship through the years, it has been our experience that Jim and his crew continue to provide us with superior work in terms of their talents in the paper hanging industry. Their attention to detail, communication, reliability and overall excellence in their craft are, in our opinion, the best in their field.

They completed 15,000 square feet of fabric and wallcovering installation at the law firm of Harrison & Lerch, P.C.. This job was under very tight time restraints and was a most difficult installation due to the building's architecture. The finished project was stunning and played a big part in the success of the project as a whole.

We highly recommend Reeves Paperhanging for any project which involves wallcoverings of any kind. I can promise satisfaction in every regard.

Sincerely,

A handwritten signature in cursive script that reads "Ellen Beth Harper".
