To Whom It May Concern:

It is with sincere pleasure that I recommend Reeves Paperhanging, Inc. as quality installers of fine wallcoverings, as well as painting.

I have worked with Jim and his son for many, many years and have found their craftsmanship, reliability and professionalism to be of the highest caliber. More importantly, Reeves Paperhanging, Inc. has conducted their business with an integrity that I greatly admire.

Sincerely,

A handwritten signature in cursive script that reads "Carol Minchew". The signature is written in black ink and has a long, horizontal flourish extending to the right.
